

“L’architettura è un sogno, la geometria il suo racconto, il manufatto la realizzazione del sogno, l’architetto colui che racconta i sogni.”

Architecture is a dream, geometry is its story, the artefact is the realization of the dream, the architect is the one who tells dreams.

La maniglia PENT è semplice, e deve “colpire” al primo sguardo con forme essenziali e lineari.

The PENT handle is simple, and must “strike” at first glance with essential and linear forms.
